Andover Public Library Receives September 11th Flag

Representative Sawyer Makes Presentation to Board of Directors

ANDOVER- On Monday, September 12th, 2005, Representative Pamela Z. Sawyer (R-Bolton) presented the Andover Library's Board of Directors with two American flags with special significance.

A large American flag, obtained from the office of U.S. Congressman Rob Simmons, which was originally flown over the U.S. Capitol building on September 11th, 2002, on the First Anniversary of the terrorist attacks of 9-11, was presented for display inside the Library. A smaller American flag from the State Capitol will fly outside the Library on the new flagpole, which was installed following work on Route 6.

"I am pleased to present both of these flags to the Andover Library, recognizing the great work they do here," said Representative Sawyer. "We wanted to wait to present these flags until the work on Route 6 was completed, and the flagpole restored. Now that the work has been completed, a new Stars and Stripes will fly outside the Library, and a special Stars and Stripes with historical significance can be seen by visitors inside."
